# FORMS AND PERMISSIONS

---

## Aranda Music & Arts

We are excited that some AMA's have started again for the year, and look forward to facilitating this amazing program in the community! If your child will be participating in any art/music classes, please fill out the following form to ensure they have permission to leave Afters! Please be aware that if an AMA class is scheduled to finish after 5:45, they will be directed to take their bag and get picked up straight from the class, rather than returning to Afters.

---

## Chromebook Forms

Students, in Years 4, 5 and 6, are issued "chrome books" as part of their learning program at Aranda Primary School. Our program allows children to use their chrome books for educational purposes through an agreement between the child, their parents and the service. In 2022 the nature of this agreement has changed, and students will need to complete and return an updated form before they can begin using their Chromebooks within the program. A link to a copy of the agreement is [here](#).

Please note on the chromebook form if you wish to allocate less time for your child.

---

## Permission for children to sign themselves out

Families can also give permission for children to sign themselves out for extra curricular activities in the Aranda community. Children can be signed out by educators to walk/ride home at a certain time, either on a regular basis or casually, however a permission form must be signed by families before this can occur. This form can be located [here](#).

# COVID-19

## **Caution around sickness**

Due to the continued caution required around COVID-19, It is extremely important that children remain at home if showing any cold and flu-like symptoms. Consideration around the spread of COVID-19 remains extremely important for the Aranda Afters community.

We would also like to stress that any children who feel sick, whether that be cold/flu symptoms or gastro-like symptoms must remain home to ensure the health of our community. Any children who develop these symptoms while at Aranda Afters will be sent home immediately.

## **WE ARE A CONTACTLESS SERVICE**

Please be aware that Aranda Afters is still a contactless service and there is no access to the inside service spaces or the school for parents and families.

We ask that parents do not enter the inside service spaces.
